

Coastal Erosion: Expressive Arts

P4-7

Pupils learn about coastal erosion through play and creative tasks, and how climate change worsens coastal erosion.

HWB 2-25a, SCN2-02a, SCN2-17a, HWB2-01a, EXA2-13a, ENG2-27a

Extension Activities:

Research and create a powerpoint presentation on a coastal defence e.g. sea walls, rock armour, dune regeneration, beach nourishment.

<https://www.bbc.co.uk/bitesize/articles/zhg8kty#z7btb7h>

Create a comic strip or story about a coastal species who is losing their habitat to the sea.

Research and create a drawing of a rare coastal habitat e.g.

<https://www.nature.scot/landscapes-and-habitats/habitat-types/coast-and-seas/coastal-habitats>

Learning Intentions

We are learning to create a short play demonstrating the effects of Coastal Erosion

I can define erosion

I can empathise with coastal habitats and living creatures, including other humans, that are losing their homes.

I can explain how climate change worsens coastal erosion

Key words

Erosion
